*Keeping In Touch . . . Impacting Lives*

**Contributions to the Alumni Association  
support Student Scholarships**

In May 2013, 4 students within the School of Allied Health Professions received \$1,000 scholarships from the Alumni Association. The students were asked to write an essay discussing how they can contribute to the betterment of healthcare in Louisiana or their community. The Alumni Association Board was impressed by the commitment our students have to their professional development and communities.

*Alumni scholarships are made possible by a generous commitment  
from alumni and friends of the School.*

Scholarships and leadership awards would not be possible without the support of our alumni and friends. We would like to take the time to thank the following contributors for their 2012 donation to the Scholarship fund. These donors were also recipients of leadership awards as students.

*Jennifer Aguillard (PT'87)*  
*Ellen Cook (CLS'78)*  
*Sue Hagius (CLS'77)*  
*Adrienne Lay (OT'00)*

*Marisa Alack (OT'97)*  
*Barbara Doucet (OT'96)*  
*Audie Hymel (CPS'80)*  
*Dawn Sonnier (OT'99)*

*Allyson Bonner (RC'96)*  
*Katherine Griffith (SLP'07)*  
*Susan Hymel (SLP'88)*

The Alumni Board would like to continue offering scholarships to our students as a reflection of the Board's mission.
