Thank you for your interest in the Medical Technology program at the LSUHSC, School of Allied Health Professions, Department of Clinical Laboratory Sciences.

YOUR CLS/MT APPLICATION PACKET CONTAINS

- 5 PAGE APPLICATION
- RECOMMENDATION OF APPLICANT FORM
- TRANSCRIPT
- TECHNICAL STANDARDS POLICY

RECEIPT OF APPLICATION AND TRANSCRIPT DEADLINE:

SEPTEMBER 30 – ENTRY INTO SPRING SEMESTER
Completed applications received by August 1 will be considered for early admission. Non-refundable $50.00 fee payable to LSUHSC must accompany application.

APPLICATION INSTRUCTIONS

- Please use a blue or black ballpoint pen or typewriter.
- Be sure to date and sign your application.
- An incomplete or illegible application will be returned.

TRANSCRIPT

Two (2) official transcripts from each college/university attended must be received in the Office of Student Affairs in accordance with the application “postmark” deadline.

- The transcripts may be returned directly to you (in sealed envelopes) if enclosing with your application OR sent directly to the Office of Student Affairs by the Registrar if your application has already been forwarded to LSUHSC. Please DO NOT OPEN THE SEALED ENVELOPE(S).

If you are submitting your application more than one regular semester prior to the anticipated date of entry (example: Spring for next Spring entry), transcripts should not be ordered until grades from that semester have been posted. The remainder of the application materials may be submitted and transcripts should follow after the appropriate grades have been posted. Follow-up transcripts must be forwarded to the Office of Student Affairs upon the completion of subsequent semesters prior to the first day of class at the School of Allied Health Professions.
RECOMMENDATION OF APPLICANT FORM

Download and distribute the Recommendation of Applicant Form to two (2) appropriate individuals accompanied by a self-addressed, stamped return envelope. These recommendation forms should speak to your tenacity and accomplishments. Referrals should be derived from your public/work activities which reflect your potential for success in medical technology field such as:

1. Faculty members who have taught or worked with you in college
2. Professionals who have worked with you in supervisory positions within an agency or on the job.
3. Employers

When the recommendations are returned to you, DO NOT OPEN – envelopes with broken seals will not be reviewed.

ACT SCORE REPORT (Recommended)

Please refer to the ACT Website [www.act.org/aap/scores/online2.html](http://www.act.org/aap/scores/online2.html) to secure official ACT scores. Our code number is 1624. Please have the score report sent directly to the Office of Student Affairs, LSUHSC School of Allied Health Professions, 1900 Gravier Street, New Orleans, LA 70112. For further information, please refer to the ACT website – [www.act.org](http://www.act.org)

RETURN TO THE OFFICE OF STUDENT AFFAIRS

- Completed Application by the deadline date, plus you $50.00 application fee
- Sealed, Signed envelope(s) containing 2 official transcripts from every university attended by the application receipt deadline
- Recommendation Forms
- ACT scores – LSUHSC ALLIED HEALTH ACT CODE NUMBER -1624

Return all of the above to the Office of Student Affairs, LSUHSC School of Allied Health Professions, 1900 Gravier St., 6th Floor, New Orleans, LA 70112-2262

NOTE 1: If you send your application packet DURING ANY semester, while you are enrolled in a college/university, it will be necessary for you to submit two (2) official copies of your transcript after completion of that particular semester.

NOTE 2: If you have any questions after reviewing the self-managed application, please contact the Office of Student Affairs – 504-568-4254

NOTE 3: Questions regarding departmental interviews, curriculum, academic schedules, or special circumstance should be directed to the Department of Clinical Laboratory Sciences at 504-568-4276.

NOTE 4: If you are accepted into the program you will be required to pay a non-refundable $50.00 acceptance fee. This fee will be applied toward your first academic semester. Request for this fee will be included with the departmental letter of acceptance.

Technical Standards
Essential Functions in Clinical Laboratory Science (CLS)
Department of Clinical Laboratory Sciences
LSU Health Sciences Center

Technical Standards (Essential Functions) are the non-academic standards that a student must be able to master to participate successfully in the CLS program and become employable*. Examples of this program’s essential functions are provided below. *If you are not sure that you will be able to meet these essential functions, please consult with the Admissions Chair for further information and to discuss your individual situation.*

**Visual and Observation Skills:** A student in the CLS program must possess sufficient visual skills and skills of observation to perform and interpret laboratory assays, including the ability to:

- Observe laboratory demonstrations in which lab procedures are performed on patient samples (i.e. body fluids, culture materials, tissue sections, and cellular specimens).
- Characterize the color, consistency, and clarity of biological samples or reagents.
- Use a clinical grade binocular microscope to discriminate among fine differences in structure and color (i.e. hue, shading, and intensity) in microscopic specimens.
- Read and comprehend text, numbers, and graphs displayed in print and on a video monitor.
- Recognize alarms.

**Motor and Mobility Skills:** A student must possess adequate motor and mobility skills to:

- Perform laboratory tests adhering to existing laboratory safety standards.
- Perform moderately taxing continuous physical work. This may require prolonged sitting and/or standing, over several hours and some may take place in cramped positions.
- Reach laboratory benchtops and shelves, patients lying in hospital beds or patients seated in specimen collection furniture.
- Perform fine motor tasks such as pipetting, inoculating media, withdrawing a blood sample from a patient, handling small tools and/or parts to repair and correct equipment malfunctions, and transferring drops into tubes of small diameter.
- Use a computer keyboard to operate laboratory instruments and to calculate, record, evaluate, and transmit laboratory information.

**Communication Skills:** A student must possess adequate communication skills to:

- Communicate with individuals and groups (i.e. faculty members, fellow students, staff, patients, and other health care professionals) verbally and in recorded format (writing, typing, graphics, or telecommunication).
**Behavioral Skills:** A student must possess adequate behavioral skills to:

- Be able to manage the use of time and be able to systematize actions in order to complete professional and technical tasks within realistic constraints.
- Possess the emotional health necessary to effectively apply knowledge and exercise appropriate judgment.
- Be able to provide professional and technical services while experiencing the stresses of task-related uncertainty (i.e., ambiguous test order, ambivalent test interpretation), emergent demands (i.e. “stat” test orders), and distracting environment (i.e. high noise levels, crowding, complex visual stimuli.)
- Be flexible and creative and adapt to professional and technical change.
- Recognize potentially hazardous materials, equipment, and situations and proceed safely in order to minimize risk of injury to patients, self, and nearby individuals.
- Adapt to working with unpleasant biological.
- Support and promote the activities of fellow students and of health care professionals. Promotion of peers helps furnish a team approach to learning, task completion, problem solving, and patient care.
- Be honest, compassionate, ethical, and responsible. The student must be forthright about errors or uncertainty. The student must be able to critically evaluate her or his own performance, accept constructive criticism, and look for ways to improve (i.e. participate in enriched educational activities). The student must be able to evaluate the performance of fellow students and tactfully offer constructive comments.
- Show respect for individuals of different age, ethnic background, religion, and/or sexual orientation.
- Exhibit professional behavior by conforming to appropriate standards of dress, appearance, language and public behavior. (For example, body piercing other than ears and visible tattoos are **not** considered professional appearance. This includes tongue piercing.)

*Certain disabilities may limit employment opportunities. Moreover, immunocompromised individuals may put themselves at personal risk due to exposure to infectious agents that occurs in all aspects of the laboratory.*
LOUISIANA RESIDENCE REGULATIONS

A resident student for tuition purposes is defined as one who has abandoned all prior domiciles and has been domiciled in the State of Louisiana continuously for at least one full year (365 days) immediately preceding the first day of classes of the term for which resident classification is sought. A NONRESIDENT student for tuition purposes is a student NOT eligible for classification as a resident student under these regulations.

The individual's physical presence within this state for one year must be associated with substantial evidence that such presence was with the intent to maintain a LOUISIANA domicile. Physical presence within the state solely for educational purposes without substantial evidence of the intent to remain in LOUISIANA will not be sufficient for RESIDENT CLASSIFICATION regardless of the length of time within the state.

Any questions or a residency application must be directed to:
Office of Registrar, LSU Health Sciences Center, 433 Bolivar Street, New Orleans, LA 70112
(504-568-4829)

TEST OF ENGLISH AS A FOREIGN LANGUAGE (TOEFL)

Applicants whose native language is NOT ENGLISH are required to submit an overall score of 220 or better on the Test of English as a Foreign Language. The essay score must be 4.5 or better. This test is designed to evaluate proficiency in English. Information regarding this test may be obtained by writing to:

TOEFL Services
Educational Testing Service
