A. For College: All Departments should type in School of Allied Health Professions - New Orleans.

C. For Pay Basis: For all salaried faculty members, select either full time or part time. For gratis faculty members (including those on Professional Service Agreements), select Gratis.

For example, if the proposed advancement is from Assistant Professor to Associate Professor with Tenure, select the appropriate rank, then select both the “promotion” line and the “tenure” line. Also, for example, if the action is for tenure for an Associate Professor and a promotion is not involved, select the “tenure only” line.
E. Effective Date: July 1, of the following year
F. For education: List the most recent first. This section should only list degree-granting educational experiences.

PAGE 2 – LSU System Form
A. Include candidate’s name at the top of the page.

B. Evaluation: This section must be completed for all faculty candidates. An appointed spokesperson from the departmental faculty writes the evaluation with input from appropriate faculty. This evaluation is signed by that departmental spokesperson.

Please note that a vote by the departmental faculty or a group of representatives (see below) must be taken and recorded at the bottom of this page.

1. For an individual being promoted from instructor to assistant professor, all full-time assistant professors, associate professors and professors are eligible to evaluate and vote.

2. For an individual being promoted from assistant professor to associate professor with tenure, all tenured associate professors and professors are eligible to evaluate and vote.

3. For a tenured individual being promoted from associate professor to professor, all tenured professors eligible to evaluate and vote. If the Department does not include faculty at or above the rank the candidate seeks, a committee must be formed with faculty at the appropriate level from within the University. Members of the committee will be selected based upon input from the Department Head, Candidate, and Dean. This Committee will complete the Evaluation by the Tenured/Senior Departmental Faculty section of the LSU System Form.

4. Non-tenured faculty members cannot evaluate and vote on candidates being considered for tenure granting.

5. Finally, it is permissible for departments with a large number of faculty members to have a committee comprised of full professors given the task of doing the faculty evaluation. Either the vote of the committee or the entire departmental faculty committee must be shown on the System form, below the recommendation from the faculty. Please note: Votes that are not unanimously favorable or are unfavorable, should be explained in the text of the departmental evaluation.

C. Current distribution of academic staff: Include the number of full-time faculty members in the blanks where appropriate. Also include the number of part-time faculty in parentheses below each appropriate blank.
