

Technology Fee Committee FY27 Meeting #2

March 24, 2026

Minutes

Committee Members Present: Amaya, Yahaira G.; Do, Vanna; Weydert, Amber P.; Venable, Mykell C.; Viverito, Marilyn.

Not present: Ramsey, Ryan C

Administrative Staff Present: Willis Brewer

- A. The Committee approved minutes from March 18, 2026 meeting via email.
- B. Discussed Sonosim. Approved previous year for CPS and other institutions. PO was done for CPS only. This item was not included in FY 27 proposals.
- C. Previous Note for future proposals:
 - a. Many proposals on the spreadsheet were for equipment as opposed to technology. Be sure to distinguish between equipment requests and true technology requests when evaluating future proposals.
 - b. During meeting, Yahaira clarifies previous note as being incorrect because the tech fee can be used for lab equipment if the lab equipment meets the objectives of the tech fee.
 - c. No proposals officially approved. Email will be sent out. Future meetings to be held for final approval. Four proposals require additional information.
- D. Proposals reviewed, the decision, and discussion notes are included below

Annual Renewals	Amount Requested	Amount Approved
Exxatt	\$52,000	\$52,000
Complete Anatomy	\$15,746	\$15,746
