

## LSUHSC–New Orleans Medical Laboratory Science Program Prerequisite Courses

Louisiana Technical University	
English (6 hours)	<input type="checkbox"/> ENGL 1013—3 hours <input type="checkbox"/> ENGL 1023—3 hours
Chemistry (8 hours)	<input type="checkbox"/> CHEM 1002 (2 hours) – General Chemistry I <input type="checkbox"/> CHEM 1031 (1 hour) – General Chemistry I Laboratory <input type="checkbox"/> CHEM 1012 (2 hours) – General Chemistry II <input type="checkbox"/> CHEM 1041 (1 hour) – General Chemistry II Laboratory <input type="checkbox"/> CHEM 1022 (2 hours) General Chemistry III
Math (6 hours)	<input type="checkbox"/> MATH 1013—Algebra—3 hours <input type="checkbox"/> MATH 1123—Trigonometry—3 hours or any higher math
Biology (8 hours)	<input type="checkbox"/> BISC 1303 Biology I—Lecture—3 hours <input type="checkbox"/> BISC 1311 —Biology I—Lab—1 hour <input type="checkbox"/> BISC 1323—Biology II—Lecture—3 hours <input type="checkbox"/> BISC 1331—Biology II—Lab—1 hour
Microbiology (4 hours)	<input type="checkbox"/> BISC 2613 Microbiology
Science Elective (6 hours)	Suggested courses includes: <b>Biology, Molecular Biology, Chemistry, Anatomy, Physiology, Microbiology, Biochemistry</b>
General Elective ( 9 hours)	Suggested courses include: <b>Communications, Technical Writing, Education, Management</b>
Humanities Elective (9)	Suggested courses include: <b>English&gt;2000, Foreign Language, Philosophy, Communications, History</b>
Social Science Elective (6)	Suggested courses include: <b>Anthropology, Economics, Geography, Political Science, Psychology, Sociology</b>
Art Elective (3)	Suggested courses include: <b>Music, Arts, Dance, Fine Arts</b>
