Adlerian Play Therapy Theory and Practice

Krystal Vaughn, Ph.D., LPC-S, Registered Play Therapist Supervisor

Description

Adlerian play therapy is grounded upon the theoretical underpinnings of Alfred Adler's Adlerian theory. This webinar will invite participants into the discovery of the therapeutic modality in the use of Adlerian play therapy. Adlerian play therapy will be defined, an historical overview will be presented in addition to the overview of the therapy, its procedures, the role of the play therapist, child, and parent will be presented in Adlerian play therapy as well as logistical aspects of Adlerian play therapy as well as child Adlerian play therapy strategies.

Objectives

1. Participants will review the historical overview and theory of Adlerian play therapy.
2. Participants will describe the use of Adlerian play therapy.
3. Participants will identify the roles of the therapist, child, and parents in Adlerian play therapy.
4. Participants will identify and demonstrate Adlerian play therapy strategies.
