Recorded Webinar series 2 CEs \$30

Developmental Play Therapy Theory and Practice

Krystal Vaughn, Ph.D., LPC-S, Registered Play Therapist Supervisor

Developmental play therapy is grounded upon the theoretical underpinnings of Viola Brody's developmental play therapy theory. This webinar will invite participants into the discovery of the therapeutic modality in the use of developmental play therapy. Developmental play therapy will be defined, an historical overview will be presented in addition to the overview of the therapy, its procedures, the role of the play therapist, child, and parent will be presented in developmental play therapy as well as logistical aspects of developmental play therapy as well as developmental play therapy strategies.

Objectives

1. Participants will review the historical overview and theory developmental play therapy.
2. Participants will describe the use of developmental play therapy.
3. Participants will identify the roles of the therapist, child, and parents in developmental play therapy.
4. Participants will identify and demonstrate developmental play therapy strategies.
