Ecosystemic Play Therapy Theory and Practice

**Krystal Vaughn, Ph.D., LPC-S, Registered Play Therapist
Supervisor**

Ecosystemic play therapy is grounded upon the theoretical underpinnings of Kevin O'Connor Ecosystemic play therapy theory. This webinar will invite participants into the discovery of the therapeutic modality in the use of Ecosystemic play therapy. Ecosystemic play therapy will be defined, an historical overview will be presented in addition to the overview of the therapy, its procedures, the role of the play therapist, child, and parent will be presented in Ecosystemic play therapy as well as logistical aspects of Ecosystemic play therapy as well as Ecosystemic play therapy strategies.

Objectives

1. Participants will review the historical overview and theory Ecosystemic play therapy.
2. Participants will describe the use of Ecosystemic play therapy.
3. Participants will identify the roles of the therapist, child, and parents in Ecosystemic play therapy.
4. Participants will identify and demonstrate Ecosystemic play therapy strategies.
