

November 6, 2020 (8:00 am- 5:30 pm)

Introduction to Clinical Supervision, Dr. Kellie Camelford (8:00 am to 11:00 am)

This interactive workshop will provide participants with an overview of the history, development, functions, and principles of clinical supervision. Participants will engage in discussions on practical issues of clinical supervision in the state of Louisiana. Participants will work to conceptualize similarities and differences in supervision, therapy, and administrative roles.

Models, Theories, and Application of Supervision, Dr. Erin Dugan (11:10 am to 2:10 pm)

This workshop will provide information on select systems and/or theories of supervision. Participants will engage in group discussions to facilitate the possible applications of select models of supervision. Interactive learning will be accompanied by video, role play, and discussions.

Organizing the Supervisory Process and Supervision Interventions, Dr. Krystal Vaughn (2:20 pm to 5:30 pm)

Attendees will discuss site selection, communication with potential supervisees/recent graduates, interview process, orientation, and role induction. Ongoing communication with supervisees is an important process, learn how to proactively structure the session. Determine which interventions and techniques you will use as a supervisor (e.g. self-report, process notes, audiotapes, reflections, or live observations).

November 13, 2020 (8:00 am - 5:30 pm)

Roles and Responsibilities in Supervision, Dr. Krystal Vaughn (8:00 am to 11:00 am)

Ever wondered, “whose job is it anyway”? This workshop will offer clinicians opportunities to explore the roles of a clinical and administrative supervisor. Participants will be encouraged to distinguish roles and relationships related to supervision. Participants will be introduced to the parallel processes occurring in the supervisory relationship.

Introduction to Ethical and Legal Issues in Supervision, Dr. Kellie Camelford (11:10 am to 2:10 pm)

This workshop will explore ethical and boundary issues faced in clinical supervision. The ACA Ethical decision-making model will be used as the foundation for discussions. Participants will be presented with mock cases, utilizing the ACA model, working collaboratively to explore the principles of ethical decision making. Boundaries issues in supervision will also be explored through small and large group discussion. Participants should be familiar with the ACA Code of Ethics prior attending.

Supervisory Relationship, Dr. Erin Dugan (2:20 pm to 5:30 pm)

This workshop will focus on challenges and successes that may occur in supervision. Attendees will be presented with interactive lessons and mock cases addressing issues such as interpersonal issues, power and authority, conflicts, and issues of trust. The presenter will lead large and small group discussions.

November 20, 2020 (8:30-5:30)

Putting it into Practice, Skills Review, and Demonstrations

This workshop will allow you to demonstrate skills as a supervisor, brainstorm alternative interventions and techniques, and receive facilitator and peer feedback. Videotapes supervision sessions are required for this workshop, recorded tele supervision sessions are acceptable during this time. Tapes will be securely and ethically submitted to facilitator prior to the workshop. (8:00-11:00 Dr. Erin Dugan, 11:10-2:10 Dr. Krystal Vaughn, 2:20-5:30 Dr. Kellie Camelford)

This training is designed to meet the 25 hour requirement for individuals seeking certification as a LPC Board Approved Supervisor (LPC-S) in the state of Louisiana. Participants will receive 25 hour LPC CEU contact hours through a certificate approved by LCA and NBCC. The training is covered over the span of three total days. All dates are required to obtain the certificate, dates are not sold individually. Make up dates will not be offered. The training requires individuals to submit a supervision session to the third date for review and critique. A telemental health supervision session is acceptable during this time. Each day there will be 3, 10-minute breaks. Participants are advised to have a “brown bag” lunch prepared so that we can continue the webinar training. **ALL participants are required to hold a minimum of two supervision sessions with another professional between the second and third course dates. You are to record and will submit a clip of your supervision session in the last course date for review and critique.**

*A minimum of 10 participants must sign up for workshops. The registration fee is \$460 for the supervision workshop series. Registration and payment must be made by November 1, 2020.
