About the Training Director: Dr. George W. Hebert

I am currently a Clinical Assistant Professor in the Department of Clinical Rehabilitation and Counseling at the Louisiana State University Health Sciences Center – New Orleans (LSUHSC-NO) and also serve as a faculty member in the Physician Assistant's Program in the Department of Interdisciplinary Human Studies. I serve as the sole psychologist in the LSUHSC Child and Family Counseling Clinic (LSUHSC-CFCC) and look forward to again bring psychology practicum students to this experience.

Regarding my professional career, I served nine years as the training coordinator/director for the APA accredited program in School Psychology at the LSU Health Sciences Center in the Human Development Center. Additionally, I had served a total of eight years providing psychological services and/or serving as Clinical Director of an outpatient state mental health clinic for children and adolescents in Louisiana. I also previously served a total of six years as a school psychologist in both rural and urban settings in Louisiana. Finally, during many of these years, I served as a part-time faculty member in the psychology department at the University of New Orleans teaching Research Design, History and Systems, Testing and Measurement, and Social Psychology.

Currently, I am a Licensed Psychologist through the Louisiana State Board of Examiners of Psychologists (LSBEP) and I also hold certificates with the Louisiana State Department of Education (LDE) as a school psychologist and supervisor of school psychological services. I continue to specialize in school aged children and their families. In the Child and Family Counseling Clinic, I offer psychological assessments and treatments primarily for the diagnostic categories found in the Neurodevelopmental, Depressive, Anxiety, Disruptive, Impulse-Control and Conduct Disorder chapters of the DSM-5.

I am a member and former president of the Louisiana School Psychological Association (LSPA). I have other state memberships with the Louisiana Psychological Association (LPA); and the Louisiana Counseling Association (LCA). I also have national professional memberships with Division 16 of the American Psychological Association (APA), the American Counseling Association (ACA), the American Rehabilitation Counseling Association (ARCA), the Association for Counselor Education and Supervision (ACES) and the Louisiana Counseling Association (LCA).
