Telehealth Training for Mental Health Clinicians Working with Children and Adolescents in the Schools, Private Practice, and Community-Based Settings

Drs. Erin Dugan, Krystal Vaughn, & Kellie Camelford

Join the Louisiana State University Health Sciences Center Department of Clinical Rehabilitation and Counseling along with the Child and Family Counseling Clinic host a synchronous training titled “Telehealth Training for Mental Health Clinicians Working with Children and Adolescents in the Schools, Private Practice, and Community-Based Settings” .

This 9-hour telehealth training will identify essential procedural factors used to service children and adolescents through today’s “new normal” and is designed to meet the training and privileging requirements set forth by the LPC Board of Examiners. This training will focus specifically on Louisiana regarding legal and ethical concerns. Topics will include the ACA (2014) Code of Ethics, the LPC Board’s statutes, and the Association for Play Therapy’s Best Practice Guidelines.
