Theraplay Theory and Practice

Erin Dugan, Ph.D., LPC-S, Registered Play Therapist

Description

This webinar will invite participants into the discovery of the therapeutic modality in the use of Evangeline Munn's Theraplay. Theraplay will be defined, an historical overview will be presented in addition to the overview of the therapy, its procedures, the role of the play therapist, child, and parent will be presented in Theraplay as well as logistical aspects of filial therapy and Theraplay as well as Theraplay strategies.

Objectives

1. Participants will review the historical overview and theory of Theraplay.
2. Participants will describe the use of Theraplay.
3. Participants will identify the roles of the therapist, child, and parents in Theraplay.
4. Participants will identify and demonstrate Theraplay strategies
