

## Occupational Therapy Oath

From the privilege and rights a Master of Occupational Therapy degree brings, I hereby pledge to hold my knowledge in trust for the good of those people whom I serve.

Therefore, I will

- Endeavor to keep both the profession and the occupational needs of the clients and communities I serve foremost in my thoughts and actions;
- Deliver occupational therapy services that demonstrate excellence at all levels of care while valuing and honoring diversity and respecting others as equals;
- Advocate for needed services and the rights of clients regardless of the constraints I may face;
- Strive to always act in a manner that is consistent with the philosophical base and values of the profession by upholding the occupational therapy code of ethics, abiding with those in need of care even in the face of personal risk, and upholding the dignity of all human beings regardless of their condition; and
- Model and foster leadership, and facilitate spiritual, personal, and professional growth for myself, my profession and in others.
